J V Martin Junior High 03/02/09-1702006

#### Report of Principal and School Improvement Council

During the 2007-2008 school year, JV Martin Junior High School has made many strides. With the arrival of a new principal specialist in early July, the school began to shift its focus to the middle school concept. Teachers were grouped on teams to better teach students, and many changes in the school structure and student movement were made.

The focus for this school year has been on literacy, and many new programs have been put in place to help all students become active, engaged readers. The Sonday System, taught by our elective teachers, was used to assist struggling readers by providing specialized instruction geared to meet these students' needs. The ELA teachers were trained and coached in implementing the Balanced Literacy approach to language arts. A Literacy Room was built that contains over 8,000 leveled books packaged in sets of 6 to be used with small flexible reading groups in all classrooms. In addition, AIMS math training was provided to increase the use of manipulatives in teaching math curriculum standards, and a math coach worked with teachers throughout the year to improve teaching practices. Science teachers have worked with our curriculum specialist to create new science curriculum guides that incorporate the use of "hands-on" activities for teaching science. And, our social studies teachers have begun to use literature to support social studies instruction.

Students at JV Martin have excelled in academics this school year! Measures of Academic Progress (MAP) Testing has reflected large gains in student achievement in all areas. Our students taking Algebra I for high school credit had a 100% pass rate on the end of course exam, and 13 of these students made a perfect score on the test. Our struggling readers who were taught using the Sonday System showed gains on the average of 3.1 reading levels!

JV Martin Junior High School has made great strides this year! We are so proud of all we have accomplished. and with continued support of parents and community, we are looking forward to the future.
